EasyMercurial - Bug #329
Window becomes too wide if you use a really long file path or URL

2011-11-14 05:30 PM - Chris Cannam

Status:	Closed	**Start date:**	2011-11-14
Priority:	Normal	**Due date:**	
Assignee:	Chris Cannam	**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:	1.2		

Description

The local and remote URL/path texts are not wrapped or truncated -- if you use a very long one, you can't resize the window any smaller than is determined by the length of the text.

Associated revisions

Revision 523:d869e6a18f63 - 2011-11-15 04:02 PM - Chris Cannam

Make the text labels in the work status area squeezable for small window sizes. Fixes #329
