

Sonic Visualiser - Bug #1243

object labels are truncated when near end of track

2015-05-22 06:14 PM - Chris Cannam

Status:	New	Start date:	2015-05-22
Priority:	High	Due date:	
Assignee:	Chris Cannam	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Add a (labelled) time instant near the end of the main waveform track. The label is invisible, it's covered by the grey area at the end of the track.
