

SoundSoftware Code Site - Feature #13

proper Help page

2010-10-01 01:28 PM - Chris Cannam

Status:	In Progress	Start date:	2010-10-01
Priority:	Normal	Due date:	
Assignee:	Chris Cannam	% Done:	10%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Currently the Help link goes straight to a Redmine guide page which is not very useful for general users. We need at least one soundsoftware-specific help page.			

History

#1 - 2010-10-01 05:46 PM - Chris Cannam

- Status changed from New to In Progress
- Assignee set to Chris Cannam
- % Done changed from 0 to 10

Help URL is adjustable in lib/redmine/info.rb. Have set it to a Wiki page for the moment (though not actually put anything useful in the page!)
