

UdploPlugin - Bug #1390

NetworkSend startThread() should be called during setup and not from log()

2015-09-02 03:53 PM - Giulio Moro

Status:	New	Start date:	2015-09-02
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
As it currently is, it could occasionally cause a (just one) dropout when the thread is started (though it is not a major issue as the thread is started only once).
