Target version:			
Description			
<p>The Instructions document doesn't have anything about Linux, as I don't have a Linux machine and haven't tested it on there. If you do, please add a little bit about</p> <ul style="list-style-type: none">a) how to change sampling rateb) how to run the local serverc) how to install Python (if necessary) <p>and some screenshots.</p>
