

Web Audio Evaluation Tool - Bug #1568

Make this look nicer easily

2016-02-11 12:13 PM - Giulio Moro

Description

```
- {  
  border-radius: 3px;  
}
```

would just make everything looks nicer easily

History

Agreed but only for some interfaces I feel. All of the on-page elements (usually all bar positioning) is done in CSS so better designs should be quick to look in to. But setting border-radius everything disables the browser button style.
