

Web Audio Evaluation Tool - Bug #1615

In AB interface, allow to deselect an item

2016-02-21 07:50 AM - Giulio Moro

Status:	Resolved	Start date:	2016-02-21
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
If the user is allowed not to chose any of the items, they should be allowed to deselect an item that they previously (perhaps mistakenly) selected.			

History

#1 - 2016-02-22 03:05 PM - Nicholas Jillings

Fixed in dev_main.

#2 - 2016-02-22 03:05 PM - Nicholas Jillings

- Status changed from New to Resolved
