

## Web Audio Evaluation Tool - Bug #1621

in core.js > createProjectSave > xmlhttp.onreadystatechange should return if xmlhttp.responseXML==null

2016-02-22 03:31 AM - Giulio Moro

<b>Status:</b>	Resolved	<b>Start date:</b>	2016-02-22

<b>Target version:</b>			
<b>Description</b>			
<p>When you get to these lines, I think the function should return after "createProjectSave('null');", otherwise you will be throwing an exception at the next line "var response = xmlhttp.responseXML.childNodes[0];" because xmlhttp.responseXML == null</p> <pre>        if (xmlhttp.responseXML == null)         {             createProjectSave('null');         }         var response = xmlhttp.responseXML.childNodes[0];</pre>
