

Bela - Bug #1694

PRU does not always stop if ARM fails abruptly

2016-05-24 05:43 PM - Giulio Moro

Status:	New	Start date:	2016-05-24
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
e.g.: when Heavy "message queue is full" (stack overflow??)			

History

#1 - 2016-05-24 07:53 PM - Giulio Moro

so that the "blinking of life" keeps happening, misleading the user
