Sonic Visualiser - Bug #1856
Layer order does not persist across pane undo/redo

2018-11-28 10:00 AM - Chris Cannam

Status:	New		**Start date:**	2018-11-28
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:				

Description

- Introduce a number of layers into a pane
- Delete the pane
- Hit Undo

The layers reappear, but not in the original order (except by chance).

History

#1 - 2018-11-29 02:27 PM - Chris Cannam

Fixed in commit:f937a73ab84c, although the active layer is still not preserved (the first layer is made active).
