

Sonic Lineup - Bug #1892

Don't attempt to open files that aren't recognised as audio

2019-05-20 01:02 PM - Chris Cannam

Status:	Closed	Start date:	2019-05-20
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Ask to open a file in an unknown format: the application pops up a CSV-parser configuration dialog. This shouldn't happen, it shouldn't be possible to open a file that isn't recognised as audio at all - the attempt should fail straight away.
