

Sonic Visualiser - Bug #1927

Artifacts in waveform when scrolling slowly at certain zoom levels

2019-09-25 12:53 PM - Chris Cannam

Status:	New	Start date:	2019-09-25
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
<ul style="list-style-type: none"><li>- Load an audio file (easiest to see this with a mono one, but it doesn't have to be)</li><li>- Zoom in to 32 pixels per sample</li><li>- Drag-scroll to the right slowly, so that one sample at a time is being refreshed at the left edge</li><li>- Observe artifacts appearing, as shown in attached image</li></ul>
