

SoundSoftware Code Site - Bug #194
Timeout when uploading file for download

2011-06-21 04:12 PM - Chris Cannam

Status:	New	Start date:	2011-06-21
Priority:	High	Due date:	
Assignee:	Chris Cannam	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			

Description

Sometimes adding a file for download fails, showing an internal server error page with no further information.

The server log says

Unexpected error in mod_passenger: An error occurred while receiving HTTP upload data: The timeout specified has expired (70007)
