

Sonic Visualiser - Bug #1943

Box layer not useful over waveform or colour 3d plot

2019-10-14 11:20 AM - Chris Cannam

Status:	New	Start date:	2019-10-14
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
<p>An aspiration (perhaps not for 4.0) would be to make the box layer able to pick up a meaningful scale from a waveform (particularly in dB mode) or a colour 3d plot with a bin-value unit.</p>
