Sonic Visualiser - Bug #1943
Box layer not useful over waveform or colour 3d plot

2019-10-14 11:20 AM - Chris Cannam

Target version:				

Description

An aspiration (perhaps not for 4.0) would be to make the box layer able to pick up a meaningful scale from a waveform (particularly in dB mode) or a colour 3d plot with a bin-value unit.
