

Sonic Lineup - Bug #1983

Vertical spacing unsuitable for large number of tracks

2020-05-01 04:41 PM - Chris Cannam

Status:	New	Start date:	2020-05-01
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Too much space is being used vertically, when there are lots of tracks loaded. See example pic - the alignment views should be narrower, and also the font is too large to see the "Aligned at..." texts.
