

Sonic Lineup - Bug #1983

Vertical spacing unsuitable for large number of tracks

2020-05-01 04:41 PM - Chris Cannam

| Target version: | | | |
| Description | | | |
| Too much space is being used vertically, when there are lots of tracks loaded. See example pic - the alignment views should be narrower, and also the font is too large to see the "Aligned at..." texts. | | | |
