

SoundSoftware Code Site - Bug #224

Feature # 36 (In Progress): associate publications with projects

Feature # 221 (In Progress): Publication Detail view

"List of Projects" layout on publication detail page is inelegant

Description			
<p>The box on the right side of the publication detail page shows all the projects a publication is associated with -- but it just displays their titles one after another so they look like one long title. Need to make it possible to distinguish between them.</p>
