

SoundSoftware Code Site - Bug #283

Feature # 36 (In Progress): associate publications with projects

Feature # 221 (In Progress): Publication Detail view

"View All Project's Publications" link shows all publications globally

Description			
The link titled "View All Project's Publications" at the bottom of the publication detail page does not do what it says -- it takes you to a list of all publications known to the whole system (I think -- at least, it takes you to a non-project-specific view page anyway)
