

SoundSoftware Code Site - Bug #302

/authors URL is not useful

2011-09-19 05:12 PM - Chris Cannam

Description

I notice there is an old index view at /authors which does not show useful information any more (it uses the author.name which is no longer used and, um, isn't supposed to be present in the db these days is it?)

History

- Description updated
- Assignee set to Luis Figueira

Still the case now, I think? At least on the live site

#2 - 2013-07-12 04:03 PM - Luis Figueira

- Target version set to Bibliography Beta
