SoundSoftware Code Site - Bug #323

Feature # 14 (New): tags for projects

Filtering does not work in test sites

2011-11-11 04:23 PM - Chris Cannam

Status:	Closed		**Start date:**	2011-11-11
Priority:	Normal		**Due date:**	
Assignee:	Luis Figueira		**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:				

Description

Clicking the Filter button (or pressing Return after typing into the text box) in a test site gives a 404 (The requested URL /projects was not found on this server) because it isn't taking into account the fact that the site itself is rooted at /cannam or /luisf.
