

EasyMercurial - Bug #353

Refresh button causing confusion

2012-01-18 08:38 PM - Chris Cannam

<b>Status:</b>	Closed	<b>Start date:</b>	2012-01-18

<b>Target version:</b>	1.2		
<b>Description</b>			
<p>(Thanks to Thomas for this one.)</p> <p>The EasyHg interface has separate buttons for Pull, Update, and "Refresh".</p> <p>It's not unreasonable to expect Refresh to do the job of either or both of Pull and Update, and it's very hard to troubleshoot such a misunderstanding -- "so-and-so committed some changes but they weren't showing up on my computer".</p> <p>We really need to do more work to eliminate (the need for) the Refresh button.</p>
