EasyMercurial - Bug #354
Remote repo URL should be cleared when starting a new local project

2012-01-23 01:30 PM - Chris Cannam

Status:	Closed	**Start date:**	2012-01-23
Priority:	Normal	**Due date:**	
Assignee:	Chris Cannam	**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:	1.2		

Description

Mark P writes:

"I created a new local repository for a new local project. When I try "Push" it defaults to the last remote respository I used. Is this sensible?"

It isn't.

History

#1 - 2012-02-17 11:05 AM - Chris Cannam

- Status changed from New to Resolved

Fixed in commit:9c8147c9f245

#2 - 2012-02-29 10:41 AM - Chris Cannam

- Target version set to 1.2

#3 - 2012-02-29 10:41 AM - Chris Cannam

- Status changed from Resolved to Closed
