SoundSoftware Code Site - Bug #365

Feature # 14 (New): tags for projects

Tag autocomplete broken on New Project page

2012-01-31 03:46 PM - Luis Figueira

Description

The New Project page asks you to enter some tags for your new project. But the autocomplete for tags on there is broken -- it just pops up a Loading box which never goes away again.

History

#1 - 2012-01-31 04:12 PM - Luis Figueira

- Subject changed from Cannot add tags on New Project Page to Tag autocomplete broken on New Project page

- Description updated

#2 - 2012-02-01 01:23 PM - Luis Figueira

- Status changed from New to Feedback

- Assignee changed from Luis Figueira to Chris Cannam

Fixed in commit:6e2b4ae0c843

#3 - 2012-02-01 01:27 PM - Chris Cannam

- Assignee changed from Chris Cannam to Luis Figueira

That certainly is just as horrible as you had suggested.

Are you sure it doesn't break the Settings page tag stuff?

#4 - 2012-02-01 02:38 PM - Chris Cannam

- Status changed from Feedback to Closed

OK, so it works because the Ajax doesn't need the project id at all, so any id will do. Gotcha.

Live now.
