

SMALLbox - Bug #456

Setup Script

2012-04-25 02:57 PM - L Figueira

Status:	New	Start date:	2012-04-25
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
<p>Add make call for DL/RLS_DLA/private and Problems/private (still need to shall these be private directories as in KSVD. Files inside are common common routines that are used all around, so it makes sense to put them in util directory)</p>
