

SoundSoftware Code Site - Bug #559

Feature # 14 (New): tags for projects

Autocomplete not working when creating a new project

2012-12-18 04:12 PM - Luis Figueira

Status:	Rejected	Start date:	2012-12-18
Priority:	Urgent	Due date:	
Assignee:	Chris Cannam	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
When creating a new project the autocomplete is not working (the AJAX request is getting a 404).			

History

- #1 - 2013-07-30 11:48 AM - Luis Figueira
- Status changed from New to Rejected
 - Assignee changed from Luis Figueira to Chris Cannam

Seems to be working after the latest updates.
