

SoundSoftware Code Site - Feature #562

Overhaul project discovery

2013-01-21 04:03 PM - Chris Cannam

Status:	Closed	Start date:	2012-11-12
Priority:	High	Due date:	2013-01-22
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:			

Description

Aim to move project discovery away from the current big-list-of-projects, to:

- A new "explore" page for finding other users' projects based on category and relationship to one another and to the user
- Improved "My Page" for managing your own projects

Subtasks:

Feature # 540: Adding a publication should contribute to activities log	Closed
Feature # 550: Move "My Projects" to "My Page"	Closed
Bug # 563: "Recent projects" and "Busy projects" layouts don't match	Closed
Feature # 564: "Explore" page	Closed
Feature # 565: Remove "My Projects" from Projects page	Closed
Feature # 566: "Busy projects" should be weighted toward recent activity	Closed
Bug # 568: My Projects list on My Page not showing tags	Closed
Feature # 602: "Explore" page: Find trustworthy projects	Closed
