SoundSoftware Code Site - Bug #57

Feature # 1 (Closed): Properly balanced registration system

Description must not permit HTML

2010-12-14 03:09 PM - Chris Cannam

Status:	Closed	**Start date:**	2010-12-14
Priority:	Urgent	**Due date:**	
Assignee:	Chris Cannam	**% Done:**	100%
Category:		**Estimated time:**	0.00 hour
Target version:			

Description

Currently the Description is received and stored as unfiltered HTML -- see for example http://test.soundsoftware.ac.uk/luisf/users/6 (user with Javascript injection in their description field). It needs to be something safer -- a standard Wiki-text format would do nicely.

History

#1 - 2010-12-14 04:54 PM - Luis Figueira

- Status changed from New to Feedback

- Assignee changed from Luis Figueira to Chris Cannam

"Testable" in my branch.

#2 - 2010-12-14 04:56 PM - Chris Cannam

- Status changed from Feedback to Resolved

- Assignee changed from Chris Cannam to Luis Figueira

- % Done changed from 0 to 100

Looks good. Thanks!
